

**Sure-Tite Discontinuation
October 21, 2013**

To: Versico Approved Contractors, Distributors and Independent Sales Representatives

Versico has been notified that the manufacturer of Sure-Tite® (K-Fast) Fasteners and Sure-Tite (K-Fast) Metal Fastening Bar has discontinued these products. As a result, Versico will no longer offer these items once its current inventory is depleted.

Below is the list of discontinued Sure-Tite (K-Fast) products:

304008	2" Sure-Tite Fastener
304009	3" Sure-Tite Fastener
304010	4" Sure-Tite Fastener
304011	5" Sure-Tite Fastener
304012	6" Sure-Tite Fastener
304013	7" Sure-Tite Fastener
304014	8" Sure-Tite Fastener
308841	Sure-Tite Metal Fastening Bar

As an alternative to the discontinued products, Versico recommends using HPV Fasteners in conjunction with:

302429	2" Polymer Seam Plates
309772	Polymer Fastening Bar 1"x 250'
300876	Metal Fastening Bar 1"x10'

If you have any questions regarding this change in product offering, please contact your local independent sales representative or distributor.

Sincerely,

Eric Pushart

EPDM Marketing Specialist
