

**EPDM Warranty Upgrades  
February 2, 2015**

**To: Versico's Authorized Contractors**

Versico Roofing Systems is pleased to announce upgrades to its warranty offerings for EPDM roof systems. The decision to offer these upgrades was based on EPDM's proven history of dependable, long-term performance and resistance to UV and weathering.

In addition to offering a new PREMIUM 40-year, non-prorated membrane warranty on premium 90-mil VersiGard® EPDM, Versico is increasing the terms available on the following Total System Warranties:

- 1) Adhered EPDM systems:
  - a. 60-mil VersiGard® and VersiGard White EPDM are eligible for up to a 25-year warranty when combined with the 25/30 year details.
  - b. 75-mil VersiGard Reinforced EPDM is eligible for up to a 30-year warranty when combined with the 30-year details.
