

DASH Dual Tank Adhesive
January 11, 2016

To: Versico Authorized Contractors

Versico Roofing Systems is pleased to announce the addition of DASH Dual Tank Adhesive to its product line. DASH Dual Tank Adhesive is VOC compliant and provides outstanding wind uplift resistance, adhesion, strength, and setup time. DASH Dual Tank Adhesive is a self-contained system—spray tips, guns, and hoses are conveniently provided with each A-side box.

DASH Dual Tank Adhesive		
	Product Code	Stocking Location(s)
Part A <i>*each carton of Part A contains 1 gun, 1 hose, and 8 nozzle tips</i>	325445	Carlisle, PA Tooele, UT
Part B	325664	Carlisle, PA Tooele, UT
25' Hose with Gun	326080	Carlisle, PA
Nozzle Tips (10/carton)	326081	Carlisle, PA

Coverage Rates (membrane or insulation attachment to smooth surfaces)	
Bead Spacing	Coverage Rate
12" o.c.	3,000 sq ft/set
6" o.c.	1,500 sq ft/set
4" o.c.	1,000 sq ft/set

Please note: Due to high demand, Versico's DASH Dual Tank Adhesive will be a lead-time item until sufficient stocking levels are achieved.

Please note: Versico's FAST Adhesive Box Sets (product code 302911) will be discontinued once current inventory is depleted.

Please visit Versico's website to view Versico's [installation instruction video](#) as well as our DASH Dual Tank Adhesive [Technical Data Bulletin](#).

If you have any questions, or for more information, please contact your local Versico independent sales representative or distributor.

Best Regards,
