

Flexible DASH™ Dual Tank Adhesive
May 25, 2017

To: Versico's Authorized Contractors

Versico Roofing Systems is pleased to announce the addition of Flexible DASH™ Dual Tank Adhesive to its VersiFleece® product line. Designed to securely bond insulation boards and VersiFleece membranes to a variety of substrates, Flexible DASH Adhesive is a two-part foam adhesive that provides up to 150% better elongation and 33-50% greater puncture resistance than nonflexible two-part adhesives. Flexible DASH offers enhanced resistance against punctures and hail, and its quick setup time and low odor makes it ideal for re-roofing occupied buildings. Flexible DASH Adhesive is VOC-free, provides superior wind uplift resistance, and helps to seal insulation joints for increased energy efficiency. Approved VersiFleece systems that utilize full coverage or 4" o.c. beads of Flexible DASH are eligible for an extra 4 man hours of Accidental Puncture coverage and an extra 1" of Hail Damage coverage compared to assemblies utilizing standard DASH adhesive. Flexible DASH Dual Tank Adhesive is sold in a convenient self-contained system that includes a gun, a hose, 10 nozzle tips, and 10 nozzle extensions in each A-side box.

Flexible DASH Dual Tank Adhesive		
Product Description	Product Code	Stocking Location(s)
Flexible DASH Part A <i>Each carton of Part A contains 1 gun, 1 hose, 10 nozzle tips, and 10 nozzle extensions</i>	328043	C, S, T
Flexible DASH Part B	328044	C, S, T
25' Hose with Gun	326080	C
Nozzle Tips (10/carton)	326081	C

C = Carlisle, S = Senatobia, T = Tooele

Coverage rates for membrane or insulation attachment to smooth surfaces	
Bead Spacing	Coverage Rate
12" o.c.	3,000 FT ² /set
6" o.c.	1,500 FT ² /set
4" o.c.	1,000 FT ² /set
Splatter	850 FT ² /set

Please note: Orders for Flexible DASH Dual Tank Adhesive can be placed immediately; however, **product will not be available to ship until June 15, 2017.** Due to high demand, Flexible DASH Dual Tank Adhesive will be a two-week lead time item until sufficient stocking levels are achieved.

Visit the [VersiFleece product page](#) on Versico's website for more information about Flexible DASH Dual Tank Adhesive, including application videos, product data sheets, and SDSs. If you have any questions, or are seeking more information, please contact your local sales representative.

Best Regards,

Austin Kulp
