

**CAV-GRIP™ 3V Product Line Additions
November 1, 2018**

To: Versico Roofing Systems' Authorized Contractors

Versico Roofing Systems is excited to add three new products to the CAV-GRIP 3V product line.

- **CAV-GRIP 3V #85 Cylinder** – Contains twice as much adhesive as standard CAV-GRIP 3V cylinders and provides a double-sided application coverage rate of 2,000 ft². Empty #85 cylinders can be returned free of charge; simply place 12 on a pallet and call the 1-800 number on the cylinders to arrange pick-up. This product must be ordered in full pallet quantities. For more information, view the [technical data bulletin](#).
- **CAV-GRIP 3V Hose Splitter** – Allows the applicator to attach two hoses to one CAV-GRIP 3V #85 cylinder for maximum productivity and efficiency.
- **CAV-GRIP 3V Spray Gun Replacement Tips (9502)** – Used with the Spray Gun with 24” extension wand. These tips can also replace the 6501 tips in the standard CAV-GRIP 3V Spray Gun if higher output is desired.
