

EDGE-TO-EDGE WARRANTY

The importance of a properly designed roof edge system should not be underestimated. On average, the roof edge typically represents only 1% of a building's overall cost. However, improper design and installation of the roof edge can have catastrophic consequences. As one of the most vital parts of a roofing system, it's imperative that coping and fascia are included in your roof system warranty. That is why Versico has created the new "Edge-to-Edge" Total System Warranty.

1 VersiTrim Pre-Engineered Edge Metal

Up to 30 Year/120 MPH Warranty Coverage

Versico's VersiTrim perimeter roof edge systems are the first line of defense against wind, ensuring a polished perimeter and long-lasting protection. Versico's unmatched line of roof edge products are available in a range of materials, profiles, and color options to meet any project's needs.

Advantages of VersiTrim Fascia & Coping Systems

- All systems are factory-fabricated and ANSI/SPRI ES-1 tested to meet International Building Code requirements, and many are FM approved.
- Boosts productivity by allowing contractors to spend less time fabricating and more time on the roof, completing jobs.
- Engineered cleats with pre-punched fastening slots facilitate quick, easy, and precise installation.
- Can be warranted up to 30 years under Versico's Total System Warranty.
- Finish warranties up to 35 years are available for Kynar® 500 and Hylar® 5000 PVDF finishes.
- Available in over 30 standard colors; custom finishes and colors are available upon request

2 Shop-Fabricated Edge Metal

Up to 20 Year/80 MPH Warranty Coverage

Versico's Metal Flat Sheet Program offers authorized contractors the opportunity to include shop-fabricated edge metal in Edge-to-Edge Total System Warranties when purchased through the channels listed below. All shop-fabricated fascia and/or coping must comply with Versico's published specifications and details. Refer to the Edge Metal section of the Versico's Specification Supplement (G-11-18).

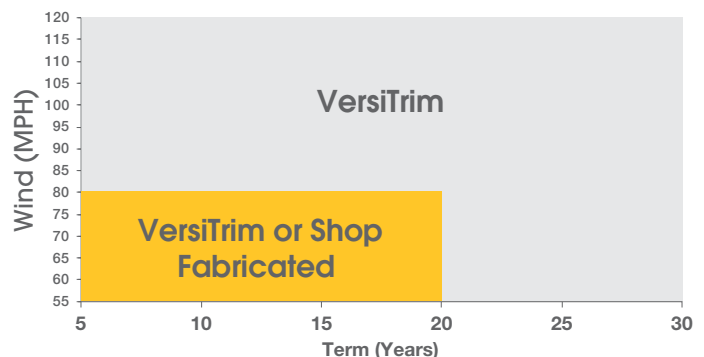

Versico Flat Sheets

Authorized contractors can shop-fabricate Versico Roofing Systems flat sheets and submit for Edge-to-Edge Warranty inclusion.

Drexel/Petersen Flat Sheets

Contractors can use Drexel or Petersen-branded flat sheets to fabricate an edge metal system for warranty inclusion for an upcharge of \$0.01/ square foot of the warranted square footage of the roof system.
